- ▶ Panel Discussion

How to get innovative Open Source Software?

The AppHub Market Place

What is AppHub?

- ▶ A market place for European Open Source Software
- ▶ A platform for innovative projects to promote their results
- ▶ A place for European industry to get access to innovative solutions

... and what it is not!

- ▶ Another Open Source Software repository
 - ▶ Go to Github
- ▶ Another market place for SaaS/PaaS
 - ▶ We don't provide any APIs
